

NOTICE INVITING WRITTEN PUBLIC COMMENT

NOTICE is hereby given that the Bay Area Air Quality Management District is proposing a significant revision to the Major Facility Review permit for the following Facility:

| Application Numbers | Facility Number | Facility Name | Address | Type of Operation |
|---------------------|-----------------|----------------------------------|-------------------------------------|-------------------|
| 29626, 29709 | B8136 | Russell City Energy Company, LLC | 3862 Depot Road Hayward CA 94545 | Power Plant |

The purpose of the permit revision is to incorporate permit condition changes resulting from the addition of black start capability to the facility's natural gas fired combustion turbines. The black start project was reviewed and approved under District New Source Review application #29348. This permit revision also includes application #29709 which is an administrative amendment to change the facility's responsible official for Title V. Only the changes to the Title V permit resulting from the significant revision are subject to public comment.

All proposed changes to the permit are clearly shown in "strikeout/underline format" and have been addressed in the statement of basis. The District invites comment on the proposed significant permit revision. All comments must be received by June 18, 2019. The public may also request a public hearing for this significant revision.

Significant revisions to a Major Facility Review permit are subject to review by the US EPA. If the US EPA has not objected to a proposed permit and the District has not addressed a public comment in a satisfactory manner, the public may petition US EPA, Region 9, Operating Permits Section at 75 Hawthorne Street, San Francisco, CA 94105, within 60 days after the end of US EPA's review, to reconsider the decision to not object to the permit. The beginning and end of EPA's review period can be found on the EPA Region 9 website at:

The proposed permit and statement of basis are available for public inspection by appointment at the District Headquarters, 375 Beale Street, Suite 600, San Francisco, CA, 94105. For an appointment, please call May Leung at (415) 749-4729. The document is also available on the District's webpage at the following address: <http://www.baaqmd.gov/permits/major-facility-review-title-v/title-v-permits>. Written comments should be directed to Xuna Cai at Bay Area Air Quality Management District, 375 Beale Street, Suite 600, San Francisco, CA 94105 or by email to xcai@baaqmd.gov. Any request for information or for a public hearing should be directed to Xuna Cai at (415) 749-4788.

Dated at San Francisco, the 13th day of May 2019.
